WWSF Summer Newsletter 2018

Women's World Summit Foundation - WWSF

Empower your community!

Dear Partners and Friends,

As every year, we are happy to share with you our annual empowerment campaign Kits that advocate development issues for rural women and ending violence against children, youth and women. We propose many ideas for action and hope that our Call to action is moving more and more communities to organize change. Thanks for joining one or two of our campaigns; **the world is waiting for your contribution!**

Our annual three campaign Kits include:

- **17 Days** of activism for the **empowerment of rural women** leaders & communities **1-17 Oct.**
- **19 Days** of activism for **prevention of violence against children & youth** **1-19 November**
- **16 Days** for the **elimination of violence against women and girls** in CH **25 Nov. - 10 Dec.**
