WWSF July 2020 Newsletter - Launch of the 19 Days Campaign

Dear Campaign Coalition Members, Partners, and Friends,

WWSF is happy to inform you that our annual campaign KIT "19 Days of Activism for prevention of violence and abuse against children and youth 1-19 November" is now available on our website https://www.woman.ch/wp-content/uploads/2020/07/KIT19D_EN_2020_FI_LIGHT_24.07.pdf

We invite you to check it out as we have included many new ideas for action, especially addressing COVID-19, and what role you can play in enlarging your network of relationships. Thank you for forwarding the 19 Days Campaign PDF Kit to your network and friends!

Most of our campaign partners are civil society organizations or groups "who do not all do great things, but most perform small things with great love." This is what is needed to pledge our life energy and creativity that can make a difference in local communities.

We look forward to including you again this year in the growing civil society resolve to create a world where children and youth will inherit a world without violence and abuse.

In solidarity and partnership, WWSF Campaign Team 2020
"We are all here to enrich our world"
